Administered by
ABC Gas Repair, Inc.
707 S. Front Street
Columbus, Ohio 43206

The warranty plan fee may include a service fee payable to the named real estate company for administrative and other services performed in the procurement of the plan, including promoting, selling, processing and advertising the plan. The service fee is a good faith estimate of the value of the above named real estate company's services and expenses in providing such services in the procurement of the plan.
